Protection for your Pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), the Petinsurance.com.au policy provides:

- financial protection for Vet Expenses in respect of the insured Pet resulting from sudden and unexpected Accidental Injury or Illness (depending on the level of Cover selected by you) occurring or first showing clinical signs within the Policy Period and after any applicable Waiting Period; and
- Cover for eligible Vet Expenses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas).

'Vet Expenses' are defined in 'Section 1 – Definitions' on page 14 and may be subject to stated limits and applicable Waiting Periods.

Understanding the limits of the insurance

Petinsurance.com.au transfers many of the financial risks Pet owners face for Vet Expenses from the insured to the insurer. However, Petinsurance.com.au does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations that help keep premiums low. These include, but are not limited to, Conditions such as pregnancy, elective procedures, Pet foods/diets, grooming and medical Conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the policy Commencement Date or that arise during the applicable Waiting Period. Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limit and can vary depending on the relevant cover. Sub-limits for particular Conditions may also apply. Full details are specified in the Policy Terms and Conditions (pages 9 to 25).

Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms. You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for;
- is common knowledge;
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something:

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and cancel your contract.

Calculating your premium

Your premium is calculated when your Petinsurance.com.au Pet Insurance policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium for new policies is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, the Excess Selected, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live, your age and the species, breed, gender of your Pet, the current age of your Pet, the age you first insured your Pet, and other factors related to our cost of doing business. These same factors may be used to calculate your premium when you amend your coverage. Further information about renewal premiums can be found under "Automatic Renewal of your Policy" on page 10.

The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts/entitlements may apply, subject to certain criteria.

Discounts/entitlements/premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts/entitlements. They are applied to the base premium calculated prior to any taxes being added.

21 day cooling off period

You have a full twenty one (21) days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Petinsurance.com.au policy. This is known as the "cooling off" period. During this time, you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the twenty one (21) day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since commencement or renewal, less any transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

You cannot return your Petinsurance.com.au policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the twenty one (21) day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in 'Section 8 – Cancellation' on page 21.

Financial Claims Scheme and Compensation Arrangements

Hollard is an insurance company authorised under the Insurance Act

1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from www.fcs.gov.au.

Authorised for issue

This PDS including the Policy Terms and Conditions was prepared by Hollard. Pet Insurance Pty Ltd and PetSure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS. These statements appear throughout the PDS.

Policy Terms and Conditions

The Petinsurance.com.au policy

Upon acceptance of application for your Cover, you will be issued a Certificate of Insurance. We will issue a new Certificate of Insurance:

- on renewal of your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of twelve (12) months from the policy Commencement Date unless cancelled by you under the cooling off period as explained on page 7 or cancellation provisions of the policy as explained in 'Section 8 – Cancellation' on page 21. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year, (refer to the "Automatic renewal of your policy" on page 10).

Your policy comprises of the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Accidental Injury or Illness Conditions up to the specified Benefit Percentage, but subject to any applicable Benefit Limit or Sub-limit, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Accidental Injury or Illness Conditions (whichever is applicable) arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Cover under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state whether your Pet is covered for Accidental Injury only, or for both Accidental Injury and Illness.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

Automatic renewal of your policy

We will advise you regarding renewal of your policy prior to the expiration of the current policy, and your renewal premium will also be adjusted accordingly.

Every year, we review the cost of everyone's insurance with regards to a combination of factors as well as claims inflation across all our insured Pets. These factors include your Pet's age, breed, location, duration for which your Pet has been insured, claims history, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours.

We may also change the terms and conditions of the policy upon renewal to reflect the portion of the risk associated with insuring your Pet.

Unless you notify us otherwise, your Cover will be automatically renewed on the terms contained in the renewal offer and we will deduct/charge the renewal premium from your nominated account/ credit card unless you tell us not to. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms. We require you to notify us should you decide not to renew your policy.

Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure. If you do not, we may reduce or refuse to pay a claim or cancel the policy.

Delivery of your policy documents and policy related communications

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period. Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

Remove the following definitions:

- Chronic Condition Limit
- Co-payment
- Exchange Rate
- Chronic Condition

Insert the following definitions:

Benefit Limit(s) and Sub-limit(s) mean the applicable amount(s) payable in any one Policy Period, in relation to the relevant Cover as specified on your Certificate of Insurance (determined as follows):

- we will never pay more than the overall annual benefit Limit specified on your Certificate of Insurance.

Note: Benefit Limits and Sub-limits reset on renewal. The Benefit Limit is also subject to any applicable Excess.

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits. *Note: The applicable Benefit Percentage will be shown on your Certificate of Insurance. For example: for an 80% Benefit Percentage we will reimburse you for 80% of the eligible Vet Expenses, subject to Benefit Limits. Refer to page 23 for an example of how claim payments are calculated.*

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments). *Note: When applying a Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition. Consultation and other derivations means an examination performed by or under the supervision of a Vet, including a physical consultation, inpatient examination, in-hospital examination, health certificate, consultation or recheck consultation/visit, referral/specialist consultation/visits, emergency and after-hours consultations/visits.

Related Condition means a Condition that even though it has shown first signs or symptoms during the Policy Period (outside of the Waiting Period), is considered to be a Pre-existing Condition if it has the same clinical symptoms, diagnostic classification or results from the same disease process as a Pre-existing Condition regardless of the number of areas of your Pet's body affected. *For example: if your Pet suffers from arthritis in its legs prior to the Commencement Date of the policy or during the Waiting Period, all future occurrences of arthritis for example in the back or neck, will be considered to be Related Conditions and will not be covered.*

Replace the following definitions:

(If your Pet has a Pre-existing Condition, please also refer to definitions for a "Related Condition" and "Bilateral Condition").

| <p>Section 7.1 – Paying your Premium (page 21)</p> | <p>Replace point 3 with the following:</p> <p>3. When premiums are paid monthly or fortnightly by instalment, claims are paid on the basis that you agree to pay the remaining premiums for that Policy Period. If you pay your premium by instalments, you will be charged a collection fee per instalment.</p> <p>Note: If we accept and pay a claim under the policy, we may deduct the balance of any outstanding premium from the claim payment.</p> |
| <p>Section 7.2 – Paying on the due date (page 21)</p> | <p>Replace points 3 and 4 with the following:</p> <p>3. Where you have an instalment policy and we have not received an instalment payment, we will send you a notice in writing (either mail, email or text message) regarding your non-payment at least fourteen (14) calendar days before any cancellation by us for non-payment.</p> <p>If after sending the above notice we do not receive the instalment payment, we will send you a second notice in writing (either mail, email or text message), either:</p> <p>a. prior to cancellation, informing you that your instalment policy is being cancelled for non-payment if the unpaid premium remains in arrears for more than thirty (30) days; or</p> <p>b. within fourteen (14) days after cancellation by us, confirming our cancellation of your instalment policy.</p> <p>4. If at least one instalment has remained unpaid for a period of at least fourteen (14) days then we may refuse to pay your claim(s).</p> <p>5. If we cancel your policy due to non-payment of an instalment premium you need to be aware that:</p> <ul style="list-style-type: none"> • no benefits or entitlements can be paid under the policy, • you may be refused cover in the future under any policy administered by PetSure; and • any application for general insurance products in the future may be affected because you had a policy cancelled as a result of unpaid premiums. |
| <p>Section 8 – Cancellation (page 21-22)</p> | <p>Replace Section 8 in its entirety with the following:</p> <p>8.1 Cancellation by you</p> <p>You may cancel your policy with us at any time by contacting our customer service team. Our contact details are set out on page 5. The cancellation will be effective once we provide you our confirmation of your cancellation request.</p> <p>These cancellation provisions also apply to policies cancelled where you have entered into a new policy because you change your level of Cover, type of policy or amount of Excess.</p> <p>8.2 Cancellation during the cooling off period</p> <p>If you cancel your policy during the twenty one (21) day cooling-off period, and no claim has/is to be made by you, we will refund any premiums paid by you since commencement or renewal, less any transaction costs incurred by us which we are unable to recover, and any taxes or duties that we are unable to refund.</p> <p>You cannot return your policy during the cooling off period if a claim has/is to be made by you.</p> |

8.3 Cancellation where no claims have been made

If you cancel the policy for whatever reason after the cooling off period and you have paid the annual premium in full, provided no claim has been made, we will refund the premium less:

- The amount covering the period you were insured for;
- The cancellation fee of \$30 (which will not be deducted if your cancellation is due to your Pet passing away); and
- Any government or statutory charges we are unable to recover.

If you have been paying your premium by instalments, there is no premium refund (including for any remaining days of a current instalment period). No further premium instalments will be deducted

8.4 Cancellation after a claim has been made

If you cancel your policy for whatever reason (other than your Pet passing away) after having made a claim, no premium refunds are payable and the remaining premium for that Policy Period must be paid if it has not already been paid. Any outstanding premium may be deducted from any claim payment owed, or alternatively, charged to your nominated bank/credit card account.

This clause survives termination of this contract. If you cancel your policy because your Pet has passed away and after having made a claim, your policy will be cancelled in the same way as set out above in **Cancellation where no claims have been made**.

8.5 Cancellation by us

We may cancel your policy where the law allows us to do so. If we cancel your policy, we will refund any money we owe you less any non-refundable statutory fees. If we cancel your policy due to fraud, we may not refund any money to you.

If you advise us that your Pet has passed away, your policy will be cancelled in accordance with **Cancellation where no claims have been made**.

For more information about cancellations refer to 'Section 7 - Premiums' on page 21.

Section 9 –
Claims
(page 22-24)

Replace Section 9.1-9.3 with the following:

9.1 How to make a claim

Should you need to submit a claim, your Vet may be able to do this for you electronically, at the time of your visit. If you elect to have your Vet submit your claim on your behalf, we will still communicate with you regarding the status of your claim. If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted.

Alternatively, you can also submit your claims online through the secure Pet Portal:
<https://portal.petsure.com.au/peti/Login>

Simply upload your documentation and click submit (from your computer or your mobile device). You can also complete a paper claim form and send your original documentation via post. Claim forms are available on request by calling 1300 855 663 or can be downloaded from www.petinsurance.com.au. If you choose to claim via post, the attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form. All claims must be completed carefully and honestly.

9.2 Important claim information

1. Unless we agree otherwise, all claims must include itemised tax invoice(s), payment receipt(s) (except when the claim is submitted via our real time claim system, where available) and applicable Consultation notes.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
3. If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
4. All claims should be submitted to us and received within ninety (90) days of the relevant Treatment being provided and all accounts must be paid in full prior to submission of your claim (unless you are submitting a claim using our real time claim system (where available), whereby you agree that you will pay the Vet the remaining portion of the tax invoice (if any) after the claim payment (if any) is made by us to your Vet).
5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet are authorised to release information and/or records to us about your Pet.

6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous claims (where applicable).
7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
8. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.
9. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

9.3 What we will do

1. We will deal directly with you regarding settlement of the claim. Where available, where our real time claims system is used by your Vet to submit your claim, we will also provide information to your Vet about the settlement of your claim.
2. Unless we specify otherwise, we will pay you, not the Vet. Where available, where our real time claims system is used by your Vet to submit your claim, we will provide payment of your claim directly to your Vet.
3. If the Vet Expenses:
 - a. are considered by us to be excessive or unreasonable; or
 - b. are higher than the Vet Expenses normally charged by a general or referral practice; or
 - c. in our opinion may not be required; or
 - d. are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices;
 then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

9.4 Examples of how we settle your claim

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

Example 1
