FREQUENTLY ASKED QUESTIONS

Information about insurance coverage in this section is a summary only. You should read the Combined PDS, Policy Terms & Conditions and FSG for full details of terms and conditions, Waiting Periods and exclusions.

Q. What Vet Expenses am I covered for?

A. You are covered for eligible Vet Expenses for the Conditions listed in **'Section 2.1 – What you are covered for'**. These are:

- cancer;
- feline lower urinary tract disease;
- Gastrointestinal Problems;
- ingestion of a foreign object;
- poisoning;
- diabetes;
- hyperthyroidism;
- heart disease;
- outer and inner ear infection;
- arthritis; and
- renal disease.

Q. What percentage of my Vet Expenses am I covered for?

A. We will reimburse you the Benefit Percentage which will be shown on your current Certificate of Insurance.

For example, for an 80% Benefit Percentage we will reimburse you up to 80% of the eligible Vet Expenses. Excess, Benefit Limits and Sub-limits may also apply. The applicable Excess will be deducted from your calculated benefit amount.

Q. What if my claim reaches my annual Benefit Limit or Sub-limit?

A. Your annual Benefit Limit and Sub-limits are the maximum benefits that can be paid to you in any one Policy Period. If you do make a large claim (or multiple small claims) and reach your policy limits, your policy limits will reset on your renewal date.

Benefits cannot be accumulated across Policy Periods.

See the 'Benefit Limit(s) and Sub-limit(s)' definition in **'Section 1 – Definitions'** for more information.

Q. What Waiting Periods apply?

A. The Waiting Periods that apply are:

- 0 days for Specified Accidental Injuries, which are as follows:
 - ingestion of a foreign object;
 - poisoning.
- 21 days for Specified Illnesses, which are as follows:
 - feline lower urinary tract disease
 - Gastrointestinal Problems
 - diabetes
 - hyperthyroidism

- heart disease
 - outer and inner ear infection
 - arthritis
 - renal disease
 - cancer
- 6 months – Dental Illness Treatments if you have selected this Option (see ‘Section 4.1 – Dental Illness Benefit’)

See ‘Section 2 – Your Cover’ for specified Waiting Periods that apply to your Cover.

Q. What is a Pre-existing Condition?

A. If any Condition existed or occurred prior to the Commencement Date of the First Policy Period or within any applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, then it may be considered to be a Pre-existing Condition and excluded from Cover. This is the case, irrespective of whether the underlying or causative Condition was diagnosed at the time.

Whether such a Condition is a Pre-existing Condition will depend on its nature and experience. Outside of any applicable Waiting Period, if your Pet has a Temporary Condition that is considered to be a Pre-existing Condition (because it occurred or existed prior to the Commencement Date of the First Policy Period, or during any applicable Waiting Period, but that Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date), it will no longer be excluded from Cover as a Pre-existing Condition.

Chronic Conditions and several other specified conditions cannot fall within this category and will never be considered to be a Temporary Condition.

Hereditary Conditions and congenital Conditions will also not be considered a Pre-existing Condition if they have not shown noticeable signs, symptoms or an abnormality at any time before the Commencement Date of the First Policy Period or during any applicable Waiting Period.

Pre-existing Condition claim examples:

A pre-existing Temporary Condition that is covered

1. Prior to the Commencement Date of the First Policy Period, your Pet has a case of gastroenteritis due to some dietary indiscretion. The Condition is treated and your Pet recovers. You then purchase a pet insurance policy. Two years later, your Pet has another unrelated case of gastroenteritis.

Your claim would be eligible for benefits because:

- The first gastroenteritis episode was a Temporary Condition, given that it normally resolves with Treatment that was treated and is not on the list of excluded Conditions in that definition;
- There was more than an 18-month gap between the Conditions;

- The second episode of gastroenteritis was not a Related Condition; and
 - The Condition was not specifically excluded in the PDS.
2. Your Pet had a bacterial urinary tract infection (UTI) prior to the Commencement Date of the First Policy Period. The Condition is treated and resolved with antibiotics. Two years into the policy, your Pet suffers another UTI of a non-chronic nature. This claim would be eligible for benefits because:
- The first signs or symptoms of a UTI was a Temporary Condition that is normally resolved with Treatment and is not on the list of excluded Conditions in that definition;
 - Your Pet did not have a UTI, or show any noticeable signs, symptoms or abnormality in relation to that Condition for more than an 18-month period; and
 - The Condition was not specifically excluded in the PDS.

A pre-existing Chronic Condition that is not covered because it can never be a Temporary Condition

1. Your Pet has symptoms of renal failure within the applicable Waiting Period of the policy and is subsequently hospitalised and diagnosed with chronic kidney disease. Your Vet recommends ongoing dietary management of the disease for more than three months. This claim is not covered, because you and your Vet became aware of the Condition within the 21-day Waiting Period for this Condition. Your Pet continues to stay on a prescription diet to manage this Condition for the next year.

Two years later, your Pet is hospitalised again for chronic kidney disease. This Condition is excluded from Cover because:

- You and your Vet first became aware of the Condition in the applicable Waiting Period; and
- The Condition is not a Temporary Condition, as it falls under the definition of a Chronic Condition. This is because it was long-lasting, recurring and affected your Pet for a period greater than three months.

As a result, it remains a Pre-existing Condition two years later and would be excluded from Cover.

2. Your Pet has had recurring diarrhoea since it was two-months old. This recurs for a period of greater than three months. You purchase a pet insurance policy and your Pet is diagnosed with inflammatory bowel disease.

Your claim would not be eligible for benefits because:

- The Condition is a Pre-existing Condition, given that you were aware of it prior to the Commencement Date of the First Policy Period; and
- Your Pet's inflammatory bowel disease is not a Temporary Condition, as it is specifically excluded as a Chronic Condition. This is because it was long-lasting, recurring and affected your Pet for a period greater than three months.

As a result, it remains a Pre-existing Condition two years later and would be excluded from Cover.

Q. What is a Chronic Condition?

A. A Chronic Condition is long-lasting or recurring in its effects and affects (or is present in) a Pet over a period greater than three months in total. Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission. If your Pet has a Chronic Condition that occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, it will always be excluded from your policy as a Pre-existing Condition.

For example:

Your Pet first showed signs of diabetes and has been receiving ongoing Treatment for four months immediately prior to the Commencement Date of the First Policy Period. Diabetes is considered:

- a Pre-existing Condition because it occurred before the Commencement Date of the First Policy Period; and
- a Chronic Condition because it lasted for more than three months in total.

Therefore, all expenses incurred for diabetes or related to diabetes will not be covered.

Q. What is a Temporary Condition?

A. A Temporary Condition is a Condition, which normally resolves with Treatment and which is not on the list of excluded Conditions in that definition. If your Pet has a Temporary Condition that is considered a Pre-existing Condition because it occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, but the Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period prior to your claim Treatment date, it will no longer be excluded from your policy as a Pre-existing Condition. Refer to the 'Temporary Condition' definition in '**Section 1 – Definitions**' for more information.

Q. What is an example of a Bilateral Condition?

A. A Bilateral Condition is a Condition affecting body parts of which the Pet has at least two; one on each side of the body (for example, ears, eyes, knees and elbows).

Bilateral Conditions will generally be covered depending on your level of Cover, and the Condition is not a Pre-existing Condition or subject to a general exclusion. However, when applying a limit or exclusion, a Bilateral Condition will be considered a single Condition.

For example: if your Pet displays signs or symptoms of an ear Condition in the left ear prior to the Commencement Date of the First Policy Period or during the applicable Waiting Period, a subsequent ear infection in the right ear will still be considered to be a Pre-existing Condition (refer to the 'Bilateral Condition' definition in '**Section 1 – Definitions**').

Q. What exclusions apply?

A. As with most insurance products, there are certain situations in which you will not be covered.

Under your Petinsurance.com.au Best in Show – Bronze Cover for Indoor Cats policy, you are only covered for the Conditions that are listed under '**Section 2.1 – What you are covered for**'.

There are some general exclusions such as Pre-existing Conditions (Conditions which occurred prior to Commencement Date of the

First Policy Period or during any applicable Waiting Period), routine or preventative Treatments (unless Routine Care is purchased, which provides a non-insurance contribution up to the Routine Care limits), some Elective Treatments and procedures and breeding or obstetrics. Please see the following sections for full details of what is not covered under your policy:

- **Section 2 – Your Cover** (See ‘**Section 2.2 – When you are not covered**’)
- **Section 3 – Additional Benefit(s)** (See ‘**Section 3.1**’, ‘**Section 3.2**’, and ‘**Section 3.3**’)
- **Section 4 – Optional Benefits** (if selected, see ‘**Section 4**’)
- **Section 5 – General Exclusions**

Q. What kind of Vet Consultations can I claim under my policy?

- A.** You can claim for Consultations in relation to Conditions covered by your policy (see question ‘What Vet Expenses am I covered for?’ and **Section 2.1 – What you are covered for** for a list of those Conditions). For example, you can claim for Consultation fees if your Pet requires a Consultation in relation to arthritis.

A Sub-limit applies to the Consultation fees that your Vet charges. This limit is stated on your Certificate of Insurance. When claiming for an eligible Condition, this limit only relates to the Consultation fee, and not any of the Treatments or medications your Pet may receive during the visit. Note: you can claim for home visit consultations under this benefit up to the Sub-Limit. See ‘**Section 3.3 – Consultations and Home Visits**’.

Please note that routine health checks and vaccination visits are not coverable under your policy, unless you have selected the Routine Care optional benefit (which is a non-insurance optional benefit), as shown on your Certificate of Insurance.

Q. Can I seek pre-approval of my Pet’s upcoming Treatment?

- A.** Yes. If your Pet requires Treatment and you wish to seek preapproval of those costs, you can provide us with the itemised estimate of costs from your Vet, along with the Treatment required and relevant clinical records and/or veterinary history, and we will respond to you or your Vet in writing with the outcome.

For more information, see ‘**Section 8.1 – Claim Pre-approval**’.

Note: Pre-approvals are not mandatory and not required in order to make a claim under your policy.

Q. What are the claim requirements for adopted Pets?

- A.** For adopted Pets, if you can provide us with proof of adoption or transfer of ownership papers, we will only request veterinary history from the date you took ownership onwards. Refer to ‘**Section 8 – Claims**’ for full details on how to submit a claim and required documents.

Q. Are x-rays, blood tests and other diagnostic tests covered?

- A.** Yes. Similar to Consultation fees, you can claim for diagnostic expenses in relation to eligible Conditions covered by your policy. Refer to ‘**Section 2 – Your Cover**’ for more details about Conditions covered by your policy. This means that elective or routine tests are not covered, nor are any tests related to a Pre-existing Condition or any other policy exclusion.

PRODUCT DISCLOSURE STATEMENT

Hollard is solely responsible for the PDS and is the insurer under each Petinsurance.com.au policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel Petinsurance.com.au policies on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. Pet Insurance Pty Ltd is authorised to distribute and promote Petinsurance.com.au but does not issue policies and is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of Petinsurance.com.au Best in Show – Bronze Cover for Indoor Cats;
- your duty to take reasonable care not to make a misrepresentation when applying for and renewing a Petinsurance.com.au policy;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing a Petinsurance.com.au policy.

Please note that, while this PDS provides a summary of the significant features and benefits of Petinsurance.com.au Best in Show – Bronze Cover for Indoor Cats policy, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time as when certain changes occur and where we're required and permitted by law to do so. If that happens, we'll issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information (except in limited circumstances).

Where the information isn't materially adverse from the point of view of a reasonable person considering whether to buy or continue to hold this insurance, we may issue you with notice in a different form (including but not limited to disclosure updates on the PetSure and Petinsurance.com.au website) or keep an internal record of the changes.

You can contact us to get a free paper copy or download an electronic copy that summarises these changes.

Protection for your Pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), the Petinsurance.com.au Best in Show – Bronze Cover for Indoor Cats provides:

- financial assistance for Vet Expenses in respect of the insured Pet occurring or showing signs or symptoms of a Condition within the Policy Period and after any applicable Waiting Period and subject to any excluded Pre-existing Conditions or general exclusions; and
- Cover for eligible Vet Expenses. 'Vet Expenses' are defined in '**Section 1 – Definitions**' and may be subject to stated limits and applicable Waiting Periods.

If a Condition exists or occurs before the Commencement Date of the First Policy Period or within an applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, it may be excluded from Cover as a Pre-existing Condition. Whether that is the case will depend on the nature and experience of the Condition (please refer to the 'Pre-existing Condition' definition in '**Section 1 – Definitions**').

If your Pet has a Temporary Condition that has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date, it will no longer be excluded from Cover as a Pre-existing Condition. Chronic Conditions and several other specified conditions that occur prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period cannot fall within this category and will always be excluded from Cover.

Understanding the limits of the insurance

Petinsurance.com.au transfers some of the financial risks Pet owners face for Vet Expenses from the insured to the insurer. However, Petinsurance.com.au does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations like other forms of general insurance.

Coverage under this policy is restricted to the following diagnosed specified Conditions:

- cancer;
- feline lower urinary tract disease;
- Gastrointestinal Problems;
- ingestion of a foreign object;
- poisoning;
- diabetes;

- hyperthyroidism;
- heart disease;
- outer and inner ear infection;
- arthritis; and
- renal disease.

Key exclusions include but are not limited to conditions other than the specified Conditions and general exclusions including, but are not limited to, conditions such as pregnancy, Elective Treatments and procedures, pet foods/diets and grooming. Medical Conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the Commencement Date of the First Policy Period or that arise during the applicable Waiting Period are considered Pre-existing Conditions and may be excluded from Cover.

Pre-existing Conditions are assessed differently depending on whether they are Chronic Conditions or Temporary Conditions for your Pet.

See the 'Pre-existing Condition' definition in '**Section 1- Definitions**' for more information.

Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limits and can vary depending on the relevant cover. Sub-limits for particular Conditions and items may also apply.

Full details are specified in the '**Section: Policy Terms and Conditions**'.

Your duty to take reasonable care not to make a misrepresentation

Before you enter into this insurance with us, you have a duty to take reasonable care not to make a misrepresentation under the Insurance Contracts Act 1984 (Cth).

This means you need to take reasonable care to provide honest, accurate and complete answers to any questions that we ask.

If you are not sure of the answers to any of our questions, you should take the time to find them. It's also important to understand that, in answering the questions, you're answering for yourself and anyone else to whom the questions apply.

If any of our questions aren't clear and you need help, please contact us.

When this duty applies

This duty applies until the contract is entered into, or is renewed, varied, extended or reinstated.

Before you renew, vary, extend or reinstate an existing contract of

insurance, you have a duty to take reasonable care not to make a misrepresentation. This means that you must inform us of any changes, where the information is no longer honest, accurate and complete.

If you don't contact us, we'll take it that you agree that the information remains honest, accurate and complete. So it's essential that you contact us if you have any doubts.

If you don't comply with your duty

If you don't take reasonable care in answering our questions or inform us of changes to the information set out in your policy documentation, you may breach your duty. If that happens, your policy may be cancelled, or treated as if never existed, and any claim may be denied or not paid in full.

Calculating your premium

Your premium is calculated when your Petinsurance.com.au policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium for new policies is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses).

Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen including whether you have selected a Routine Care option, the Excess selected, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live, your age, and the species, breed, gender of your Pet, the current age of your Pet, and other factors related to our cost of doing business. These same factors may be used to calculate your premium when you amend your coverage. Further information about renewal premiums can be found under '**Automatic Renewal of your Policy**' section.

The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts/entitlements may apply, subject to certain criteria.

Discounts/entitlements/ premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts/entitlements. They are applied to the base premium calculated prior to any taxes being added.

Automatic renewal of your policy

We will offer renewal of your policy every year for so long as we continue to provide this product. At least 14 days before your current policy expires, we will send you a renewal notice confirming when your insurance will expire and the premium and terms on which your insurance will automatically renew for a further Policy Period. It will also remind you that you can opt out of the automatic renewal process and to check the limits of cover provided under the policy to see if your level of insurance cover remains appropriate for you.

Your Cover will be automatically renewed on the terms contained in the renewal notice (unless you have opted out of automatic renewals or contact us to tell us that you do not want to renew on the terms of the renewal notice) and we will deduct/charge the renewal premium from your nominated account/credit card. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

Every year, we review the cost of everyone's insurance with regards to a combination of factors as well as claims inflation across all our insured pets. These factors include your Pet's age, breed, location, claims history, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours. We may also change the terms and conditions of the policy upon renewal based on the risk associated with insuring Pets like yours.

Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your duty to take reasonable care not to make a misrepresentation. If you do not, we may reduce or refuse to pay a claim or cancel the policy.

Cooling off period

You have a full 30 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Petinsurance.com.au policy. This is known as the "cooling off" period. During this time, you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the 30-day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since the policy Commencement Date (or renewal date), less any costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

If you have made a claim during the cooling off period and wish to cancel during the cooling off period, then any refund will be in accordance with provisions set out in '**Section 7 – Cancellations**'. After the cooling off period ends, you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in '**Section 7 – Cancellations**'.

POLICY TERMS AND CONDITIONS

The Petinsurance.com.au policy

Upon acceptance of application for your Cover, you will be issued a Certificate of Insurance. We will issue a new Certificate of Insurance:

- on renewal of your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of 12 months from the policy Commencement Date unless cancelled by you within the cooling off period as explained in the 'cooling off period' section or cancellation provisions of the policy as explained in **'Section 7 - Cancellations'**.

We also have certain cancellation rights at law. For your convenience and to ensure continuity of Cover for your Pet, we will automatically renew your policy each year (unless you have opted out of automatic renewals or contact us to tell us that you do not want to renew on the terms of the renewal notice) for as long as we continue to provide this product (refer to the **'Automatic renewal of your policy'** section).

Your policy comprises the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any supplementary documents or notifications issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Conditions up to the Benefit Percentage, but subject to any applicable Benefit Limit or Sub-limit and less any Excess which may apply that are all shown on your Certificate of Insurance, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Condition is one of the specified Conditions in **'Section 2 - Your Cover'**;
- the covered Condition arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

This is also subject to your policy terms and conditions including Waiting Periods and policy exclusions. You are responsible for your Excess amount that appears on your Certificate of Insurance.

Where we agree to provide Cover under the policy, we rely on the representations made by you during your application for insurance.

Your Certificate of Insurance will state what your Pet is covered for.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

Delivery of your policy documents and policy related communications

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period.

Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

SECTION 1 – DEFINITIONS

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa;
- references to a time are business days in Sydney, Australia and are Australian Eastern Daylight Time (AEDT).
- monetary references are in Australian dollars; and
- a reference to any legislation contained in the policy includes any amendment, replacement, re-enactment or successor legislation.

Words that are capitalised have the special meaning explained below:

Accident means:

- A single event which is unexpected and unintended by you; and
- Is independent of any Specified Illness or any Pre-existing Condition.

Benefit Limit(s) and Sub-limit(s) mean the applicable amount(s) payable in any one Policy Period, in relation to the relevant Cover as specified on your Certificate of Insurance (determined as follows):

- if a Sub-limit for a particular Cover, item, Condition or Treatment on an individual or per claim basis is specified to apply on your Certificate of Insurance, we will not pay more than that amount (subject also to the overall annual Benefit Limit or other relevant Sub-limit not having been exceeded); and
- we will never pay more than the overall annual Benefit Limit specified on your Certificate of Insurance.

Note: Benefit Limits and Sub-limits reset on renewal. The Benefit Limit and Sub-limits are also subject to any applicable Excess.

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits, Sub-limits and Excess.

Note: The applicable Benefit Percentage will be shown on your Certificate of Insurance.

For example: for an 80% Benefit Percentage we will reimburse you for up to 80% of the eligible Vet Expenses, subject to Benefit Limits, Sub-limits and Excess. Refer to '**Section 8 – Claims**' for an example of how claim payments are calculated.

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one on each side of the body (e.g. ears, eyes, knees and elbows).

Note: When applying a Benefit Limit, Sub-limit or exclusion, a Bilateral Condition will be considered a single Condition.

Example 1: If your Pet has had an inner ear infection in the left ear prior to the Commencement Date of the First Policy period or during the applicable Waiting Period, which falls within the definition of Pre-

existing Condition, a subsequent inner ear infection in the right ear will still be considered a Pre-existing Condition.

Certificate of Insurance means the relevant certificate we provide outlining the key details of the contract of insurance between you and us, and identifying the policy number, Cover, Commencement Date, End Date, insured Pet, Excess, schedule of benefits including Benefit Limits and sub-limits.

Chronic Condition means a Condition that is long-lasting or recurring in its effects and affects (or is present in) your Pet over a period that is greater than three months in total (the three-month period need not be consecutive). Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission.

Examples include but are not limited to chronic or seasonal allergies, inflammatory bowel disease, diabetes, osteoarthritis, cancer and some autoimmune diseases.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definitions of 'Pre-existing Condition' and 'Temporary Condition').

If a Chronic Condition is a Pre-existing Condition, it will be excluded from Cover.

For example:

1. Prior to the Commencement Date of the First Policy Period your Pet experienced symptoms of inflammatory bowel disease for more than three months in total. The Condition would be a Chronic Condition, given that it is recurring in its effects. If the Condition otherwise falls within the definition of 'Pre-existing Condition' it will be excluded from coverage.
2. Your Pet showed signs of diabetes for at least three months prior to the Commencement Date of the First Policy Period. This would also be a Chronic Condition, given its long-lasting and recurring effects. If the Condition otherwise falls within the definition of 'Pre-existing Condition', it will be excluded from coverage and all expenses related to diabetes will be excluded.

Commencement Date means 11:59pm on the date when Cover for your Pet first started as shown on your Certificate of Insurance. Unless otherwise specified, this relates to the Commencement Date of your current Policy Period.

Condition means

- any Specified Accidental Injury; or
- any manifestation of a Specified Illness.

Consultation and other derivations means an examination performed by or under the supervision of a Vet, including a physical consultation, inpatient examination, in-hospital examination, health certificate, consultation or recheck consultation/visit, referral/specialist

consultation/visits, emergency and after-hours consultations/visits.

Cover means:

- the Benefit Limits, Sub-limits, Benefit Percentage, Excess and any other options applicable to the policy you have selected; and
- where relevant, the Cover applicable under any previous policies you have held with us where the same or a substantially similar or a higher level of Cover was provided in the current Policy Period.

Information about the Cover can be found in '**Section 2 – Your Cover**' to '**Section 5- General Exclusions**'.

The Cover applying to your Pet is shown on your Certificate of Insurance. The Cover includes the Additional Benefits explained in Section 3 and if selected the Optional Benefit(s) explained in Section 4.

Dental Illness Benefit means the benefit payable to you in respect of Dental Illness Treatment and if selected by you, as shown on your Certificate of Insurance.

Dental Illness Treatment means Vet Expenses in relation to a dental illness as specified under '**Section 4.1 – Dental Illness Benefit**'. If applicable, this benefit is payable up to the Sub-limit shown on your Certificate of Insurance.

Elective Treatment means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet's survival or does not form part of the Treatment for a Condition. Refer to '**Section 5 – General Exclusions**'.

End Date means 11:59pm on the date upon which your policy terminates and benefits cease. Unless otherwise specified, this relates to the End Date of your current Policy Period.

The End Date is shown on your Certificate of Insurance. If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

Excess means an amount of a claim we do not pay and which you are required to pay yourself, as shown on your Certificate of Insurance.

The excess is applied on a 'per Condition, per Policy Period' basis. This means that it is deducted from your calculated claim benefit for each Condition treated that is unrelated to any other Condition treated during the same Policy Period.

Refer to '**Section 8 – Claims**' for an example of how claim payments are calculated.

First Policy Period means the time during which we first provided Cover to you for your Pet.

Gastrointestinal Problems means any primary gastrointestinal Condition affecting the oesophagus, stomach and/or intestines.

GST means the Australian Goods and Services Tax at the officially published tax rate.

Pet means the cat covered under the policy and named on your Certificate of Insurance.

Policy Period means the time during which we provide Cover as specified on your Certificate of Insurance.

Unless otherwise specified, this relates to your current Policy Period.

Pre-existing Condition means a Condition that existed or occurred prior to the Commencement Date of the First Policy Period or within any applicable Waiting Period, of which you or your Vet were aware or a reasonable person in your circumstances would have been aware, irrespective of whether the underlying or causative Condition has been diagnosed. A Pre-existing Condition also includes a Related Condition or Bilateral Condition of a Pre-existing Condition.

After the end of any applicable Waiting Period, a Condition will no longer be considered a Pre-existing Condition if it is a Temporary Condition that:

- has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date (please refer to the definitions of 'Temporary Condition' and 'Chronic Condition'); or
- we have agreed in writing will not be a Pre-existing Condition, following a Pre-existing Condition Review (please refer to the terms of a Pre-existing Condition Review in '**Section 5 – General Exclusions**').

For example: Two weeks prior to the Commencement Date of the First Policy Period, you take your Pet for a routine check-up and your Vet advises you it has a heart murmur that needs to be monitored.

You then take out a pet insurance policy and your Pet is diagnosed with congestive heart failure after the Waiting Period has passed. Your Pet requires lifelong medication to manage this Condition.

The Condition would be a Pre-existing Condition and excluded from Cover, notwithstanding that the diagnosis was not provided until after the Commencement Date of the First Policy Period.

Related Condition means a Condition that results from the same disease process, arises as a consequence of or has the same diagnostic classification as another Condition, regardless of the number of areas of your Pet's body that are affected.

For example:

- If your Pet suffers from squamous cell carcinoma in its nose, all occurrences of squamous cell carcinomas (e.g. in ear pinnae) will be considered to be Related Conditions.
- If your Pet suffers from diabetes and then develops a cataract as a consequence of the diabetes, the cataract will then be considered a Related Condition.

- If your Pet suffers from Gastrointestinal Problems due to intestinal worms, that are treated and resolved and then six months later has gastroenteritis due to a bacterial infection, these will not be considered Related Conditions as the intestinal worms were treated and the gastroenteritis Condition does not follow the same disease process or diagnostic classification.

Routine Care means certain preventive Pet care items for your Pet listed on your Certificate of Insurance and are non-insurance benefits. If you have these benefits, the list of allowable items and the Benefit Limits applicable to these, are shown on your Certificate of Insurance.

Specified Accidental Injury means physical harm or injury arising from an Accident that is the consequence of one of the following:

- ingestion of a foreign object; or
- poisoning.

Specified Illness means a sickness or disease that is a consequence of or results in one of the following:

- cancer;
- feline lower urinary tract disease;
- Gastrointestinal Problems;
- diabetes;
- hyperthyroidism;
- heart disease;
- outer and inner ear infection;
- arthritis; or
- renal disease.

Temporary Condition means a Condition which normally resolves with Treatment, other than:

- cruciate ligament conditions;
- intervertebral disc disease;
- hip dysplasia;
- elbow dysplasia;
- patella luxation;
- endocrine diseases; and
- any other Chronic Condition.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definition of 'Pre-existing Condition').

For example: Your Pet has dietary related gastroenteritis prior to the Commencement Date of the First Policy Period that is resolved with

medication. Your Pet does not suffer any further instances of dietary related gastroenteritis until three years later, when your Pet suffers another gastroenteritis episode. This Condition would be a Temporary Condition which has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to the second gastroenteritis episode, so would not be a Pre-existing Condition and would be coverable subject to your policy terms and conditions.

Treatment means reasonable and customary examinations, hospitalisations, surgery, x-rays, medication, diagnostic test, nursing and other care and procedures provided by a Vet during the Policy Period:

- to relieve, cure or treat a Condition; or
- to provide Dental Illness Treatment (where selected).

Vet means any veterinarian, veterinary specialist, animal hospital, animal clinic, or animal surgery, other than yourself, who is licensed in and currently registered in Australia.

Vet Expenses means the reasonable and essential expenses incurred and paid in respect of Treatment provided by a Vet during the Policy Period, having regard to the circumstances in which the Treatment was provided.

Waiting Period means a period starting from the Commencement Date of the First Policy Period during which a Condition that exists or occurs, of which you or your Vet are aware or a reasonable person in your circumstances would be aware, will be considered a Pre-existing Condition, subject to the terms of the definition of 'Pre-existing Condition' and unless otherwise stated on your Certificate of Insurance.

See '**Section 2 – Your Cover**' to '**Section 4 – Optional Benefits**' for Waiting Periods that apply.

SECTION 2 – YOUR COVER

Indoor Cat Cover is applicable if:

- it is shown on your Certificate of Insurance; and
- your Pet was at least eight weeks of age and younger than fifteen years of age at the Commencement Date of the First Policy Period.

Pets over fifteen years of age will not qualify for Indoor Cat Cover where there has been a break, lapse or change in the level of Cover after reaching the age of fifteen.

The Cover applying to your Pet is shown on your Certificate of Insurance. The Cover includes Additional Benefits explained in **Section 3** and if selected, the Optional Benefits explained in **Section 4**.

2. Where you have an instalment policy and we have not received an instalment payment, we will send you a notice in writing (either mail, email or text message) regarding your non-payment at least 14 calendar days before any cancellation by us for non-payment. If after sending the above notice we do not receive the instalment payment, we will send you a second notice in writing (either mail, email or text message), either:
 - a) prior to cancellation, informing you that your instalment policy is being cancelled for non-payment if the unpaid premium remains in arrears for more than 30 days; or
 - b) within 14 days after cancellation by us, confirming our cancellation of your instalment policy.
3. If at least one instalment has remained unpaid for a period of at least 14 days then we reserve the right to pay the difference between any outstanding premium and claim benefit owed.
4. If we cancel your policy due to non-payment of an instalment premium you need to be aware that:
 - a) no benefits or entitlements can be paid under the policy;
 - b) you may be refused cover in the future under any policy administered by PetSure; and
 - c) any application for general insurance products in the future may be affected because you had a policy cancelled as a result of unpaid premiums.

SECTION 7 – CANCELLATIONS

7.1 Cancellation by you

You may cancel your policy with us at any time by contacting our customer service team. See **'Section: If you have any questions'** for our contact details. The cancellation will be effective once we provide you our confirmation of your cancellation request.

If you choose to cancel your policy and have been paying your premiums annually, we will retain a portion of premium that relates to the period for which you have been insured. We will refund the residual premium for the unexpired period no later than 15 business days, less any applicable government or statutory charge.

If you choose to cancel your policy and have been paying your premiums by instalments, there is no premium refund (including for any remaining days of a current instalment period). No further premium instalments will be deducted.

If you cancel your policy because your Pet has passed away, your policy will be cancelled, and we will retain and/or refund any premium in the same way as set out above.

7.2 Cancellation by us

We may cancel your policy where the law allows us to do so. We will give you notice in writing prior to exercising any right to cancel your policy. If we cancel your policy, we will retain a portion of premium that relates to the period for which you have been insured. We will refund the residual premium for the unexpired period no later than 15 business days, less any non-refundable government or statutory charges.

For more information about cancellations refer to **'Section 6 - Premiums'**.

SECTION 8 – CLAIMS

8.1 Claim Pre-approval

If your Pet requires Treatment and you wish to seek pre-approval of those costs, you can provide us with the itemised estimate of costs from your Vet, along with the Treatment required and relevant clinical records and/or veterinary history, and we will respond to you in writing with the outcome.

A pre-approval shall not be deemed to be valid unless we have agreed to it in writing. The reimbursed amount may vary from the pre-approval if the Treatment provided by your Vet differs from the Treatment request in the pre-approval.

To request a pre-approval:

Call us: 1300 855 663

Email us: petinsurance@petsure.com.au

Note: Pre-approvals are not mandatory and are not required in order to make a claim under your policy.

8.2 How to make a claim

Should you need to submit a claim, your Vet may be able to do this for you electronically, at the time of your visit. If you elect to have your Vet submit your claim on your behalf, we will still communicate with you regarding the status of your claim. If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted.

Alternatively, you can also submit your claims online through the secure Pet Portal: <https://portal.petsure.com.au/peti/Login>

Simply upload your documentation and click submit (from your computer or your mobile device).

You can also complete a paper claim form and send your original documentation via post. Claim forms are available on request by calling 1300 855 663 or can be downloaded from www.petinsurance.com.au

If you choose to claim via post, the attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.

All claims must be completed carefully and honestly.

8.3 Important claim information

1. Unless we agree otherwise, all claims must include itemised tax invoice(s), payment receipt(s) (except when the claim is submitted via our GapOnly® claim system, where available) and applicable Consultation notes. If submitting a claim by post, all claim documentation must be accompanied by a completed claim form.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that

you retain copies of all documentation for your records.

3. When submitting a claim, please include all relevant invoices and clinical records from your Vet. Please note:
 - a. In some instances, we may require more information to process your claim, such as previous medical history or pathology / laboratory results. If this is the case, we will contact you for this information.
 - b. There may be also scenarios where we request additional veterinary history from current or previous Vets (such as if there is a large history gap) to ensure we have all relevant clinical information for your Pet.
 - c. For adopted Pets, veterinary history is only required from when you took ownership. If you can provide us with proof of adoption or transfer of ownership papers, we will only request veterinary history from the date you took ownership onwards.
4. All accounts must be paid in full prior to submission of your claim (unless you are submitting a claim using our GapOnly® claim system (where available), whereby you agree that you will pay the Vet the remaining portion of the tax invoice (if any) after the claim payment (if any) is made by us to your Vet).
5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet are authorised to release information and/or records to us about your Pet.
6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous claims (where applicable).
7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
8. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

8.4 Processing your claim

1. We will deal directly with you regarding settlement of the claim. Where available, where our GapOnly® claims system is used by your Vet to submit your claim, we will also provide information to your Vet about the settlement of your claim.
2. Unless we agree otherwise, we will pay you, not the Vet. Where available, where our GapOnly® claims system is used by your Vet to submit your claim, we will provide payment of your claim directly to your Vet.

3. If the Vet Expenses incurred by you exceed what is reasonable and essential, having regard to other Vet Expenses in a similar situation, then claim payments may be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition, for a Pet in similar circumstances.
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims. For more details, see **'Section 9 – Fraud'**.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the policy terms and conditions for whatever reason, this will not constitute a waiver of our rights to apply the policy terms and conditions retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.
8. You agree that we have the right to decline to process a claim where you or your Vet refuse to or are unable to provide information reasonably requested by us in order to process your claim.

8.5 Examples of how we settle your claim

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

Example 1

80% Benefit Percentage	
Excess elected by you	\$500
Total amount of eligible Vet Expenses	\$2,000
Total amount claimable after 80% Benefit Percentage applied	\$1,600
Excess payable	\$500
Total amount paid to you	\$1,100
Out-of-pocket expense	\$900

Example 2

Note: this only applies if you have elected for the Dental Illness Benefit Option (as stated in ‘**Section 4 – Optional Benefit(s)**’)

80% Benefit Percentage with a \$1,000 Dental Illness Benefit limit	
Excess elected by you	\$0
Total amount of eligible Vet Expenses	\$2,000
Total amount claimable after 80% Benefit Percentage applied	\$1,600
Excess payable	\$0
Dental Illness Benefit limit [^]	\$1,000
Total amount paid to you	\$1,000
Out-of-pocket expense	\$1,000

[^]As you have reached the limit for the Policy Period, no further Vet Expenses for Dental Illness Treatment will be reimbursed until the policy renews.

8.6 Our rights of recovery

If we have the right to recover any amount payable under the policy in relation to a claim from any other person, you must cooperate with us in any action we may take.

8.7 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

SECTION 9 – FRAUD

It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. We employ sophisticated fraud detection and prevention techniques to ensure we only pay out on genuine claims. By doing this we are protecting the interest of all policyholders.

You must not act in a fraudulent manner. If you or anyone acting for you:

1. make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect;
2. make a statement in support of a claim knowing the statement to be false in any respect;
3. solicit your Vet to behave in a fraudulent manner regarding a claim;
4. submit a document in support of a claim knowing the document to be forged or false in any respect; or
5. make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:

1. we shall not pay the claim;
2. we shall not pay any other claim which has been or will be made under the policy;
3. we may at our option cancel the policy;
4. we may at our option cancel any other pet insurance policies you hold which are issued by Hollard;
5. we may be entitled to reclaim any payments already made to you in respect of such claims;
6. we may not make any refund of premium already paid;
7. we may inform the police of the circumstances; and
8. we may pursue legal proceedings.

SECTION 10 – DIRECT DEBIT REQUEST SUMMARY

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard, Pet Insurance Pty Ltd nor PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within 14 days.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

SECTION 11 – CHANGING LEVEL OF COVER

1. If you opt to transfer your Pet to a level of Cover with different or additional benefits (including but not limited to a different Benefit Percentage or Benefit Limit, Sub-limit, Excess, or additional coverage) then a new policy and Certificate of Insurance will be issued to you and your previous policy will be cancelled. Waiting Periods already served will not reapply, unless there has been a break or lapse in Cover. Please note that Waiting Periods for conditions or items that were not covered under your previous policy will apply to your new level of Cover.
2. You cannot change your level of Cover in a Policy Period if a claim has been paid. To change your level of Cover after a claim has been paid, you will need to wait until your next renewal.
3. If you pay your premium via fortnightly or monthly instalments, there is no premium refund (including any remaining days of a current instalment period) when you change your level of Cover.
